6. Chair's Report - 2023

The Chair gave his wholehearted thanks to the Scottish Section for such a successful year of events and especially to all the Committee Members who gave their time and enthusiasm in organising the events. He gave special mention to WDSC2023 Chair Jane Millar for the conference having been such a resounding success with 630 delegates from 30 countries. He also gave credit to Inchdairnie Distillery for assisting in the Fife Barley Walk. He praised the new format of the Annual Dinner which was superb and again offered his gratitude to all who had helped make it such a wonderful evening.

Treasurer's Report 2023

For AGM on 8th May 2024

2023 was the year we finally achieved something close to normality after the last few years!

The Scottish Section Committee provided a number of well received and well attended events throughout the year – the Study Tour was, as always, a highlight of the year. We always receive more people wishing to attend this event than we can facilitate so it is always fully booked. We repeated the Lifelong Learning / Sustainability Day in 2023, held at the Atholl Hotel again. For the younger members, there was a beer festival organised at the Biscuit Factory in Edinburgh. There was also a very well attended Barley Walk with the weather being good for once!

The Executive Summary gives an overall picture for 2023 with £47,988.31 of income, plus an opening deposit in the account of £16,532.61 and £50,940.31 of expenditure. This means we have spent £2,952 more than has been received. This has been driven by a couple of items – there was an outstanding grant payment from 2021 of £3,200 which was paid out of the Scottish Account. The second item is the Lifelong Learning / Sustainability Day – this is free to IBD members with a charge of £30 to non-members. The cost for us to support this day was £2,996.36 in 2023. We ended the year with a closing balance of £13,493.21

The Scottish Section Dinner was held on Friday 13th October at the Doubletree by Hilton in Glasgow with 437 attendees and a separate Dinner reconciliation is attached. The dinner realised £8,470.78 profit. We reformatted how the dinner was run in 2023; asking a representative from the Charity we held the raffle for to speak to us about the work that they do, rather than organise an after- dinner speaker. We had very positive feedback on this, and the Charity also received several requests to speak at other events and offers of help.

The Dinner for 2024 will also be held at the Doubletree Hilton, Glasgow, and we have the potential to book a date in 2025 as well. There are a number of reasons for us wanting to remain in Glasgow, with the limited number and cost of alternative venues in Edinburgh being a big deciding factor in this decision.

This was the last dinner that our long-term Toastmaster, Patrick Hayes will be conducting for us – he is taking a well-deserved retirement; and I will miss his advice over the last two years. He will be replaced by Alexander (Sandy) Fraser who has worked at a number of prestigious events and venues as well as working for The Glenmorangie Company; so, we are keeping it within the industry!

Finally, Susan McKinley and James Brosnan are stepping down as the Scottish Section Auditors. I want to thank them for all their hard work and help to both myself and Brian Eaton before me. We will be sending out a call for new auditors, so if anyone would like to volunteer for this role, please contact me.

The Scottish Section Accounts for 2023 have been approved by our examiners in Scotland and have been submitted to the IBD Head Office for auditing.

Niki Charleston, Treasurer, April 2024

Review of 2023 Accounts Signed attached at end of Minutes.

Matters Arising from the Financial Report:

Douglas Murray suggested a suitable thank you gift to be organised for the auditors James Brosnan and Susan McKinley for their work in the past, as the Section Accounts were to be audited by IBD HQ from now on.

David Hannah proposed that students be sponsored by companies to be seated at those tables thus improving networking opportunities, rather than being bunched together at a student table.
